Sub Opening the detailed head " Mysore city Municipality" under ' 50 Civil orks - Grants -in-aid "

Kindly refer to this office letter No T A D 3 C W 131/52-53 dated 2-12-52, requesting to intimate the detailed head under the minor head " Grants -in-aid "

In this connection, I am to state that a bill authorised for payment in favour of the Commissioner, Mysore city Municipality for Rs 43,500/- by this office on 29-3-52, was actually paid by transfer at the Treasury on 17-4-52 though it was presented by the Commissioner on 31-3-52 A treasury irregularity has been awarded against the District Treasury Officer, Mysore, as he should not have paid the amount out of the current year's grant However the payment has been provisionally debited to the detailed head " Mysore City Improvement Fund " as the detailed head " Mysore City Municipality " has been deleted in the current year's Budget

This wrong debt will have to be regularised either by the sanction of an additional grant or by suitable reappropriation The new detailed head " Mysore city Municipality " may also have to be opened for correct representation of these facts
